Catholic High School**

Business & Enterprise College

27th September 2017

Dear Parents

Re: Section 48 Catholic Inspection

The school will be Inspected on 10th/11th October 2017. Three inspectors will be joins us for the two days.

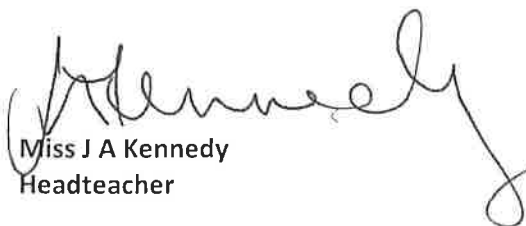

I would appreciate your assistance in completing the attached survey and return to Form Tutor or Reception. Copies of the survey are on the website, should you need an extra copy.

I would also like to let you know that the overall progress score (known as Progress 8) that was released this week shows a significant improvement on the previous year. The Progress 8 score is the new measurement for schools and is the best way to compare performance as it takes all abilities into account, not just the most able.

We have moved from -0.53 below national to -0.2. Next year we expect to be higher. The website has more detail.

I would like to thank parents for all their continued support.

Yours sincerely
