St Joseph's Catholic High School

---

With St Joseph as our patron:

We are a **loving** family, following the Way of Jesus.

We **listen** and work hard towards, college, sixth form, university and work.

We realise that **learning** is key to the rest of our lives.

We **live** each day in prayer and joyful celebration together.

Jesus said, "I am the way, the truth and the life." John 14:6
