### Help with My Homework Timetable

1. The Homework Timetable outlines the pattern for where appropriate Homework will be set.
2. Write your Homework in your Journal each time it is set, including what to do and when to hand it to the teacher.
3. Complete homework as soon as possible whilst it is fresh in your mind- don't leave it until the last minute.
4. Find somewhere quiet to complete your homework, with good light and a comfortable chair to sit in.
5. If you need help- be sure to ask your teacher the day before the homework is due to be handed in.
