

24<sup>th</sup> May 2019

EXAMINATION WEEKS FOR YEARS 7 AND 8

10<sup>TH</sup> JUNE TO 21<sup>ST</sup> JUNE 2019 INCLUSIVE

Dear Parent/Carer

I am writing to give you advance notice of your son/daughter's end of year exams which will take place during the dates above.

The examinations will take place in either the main school hall, giving students the experience of formal examinations, their policies, procedures and timings, or in the student's classrooms in their usual lesson time.

Your child's subject teacher will have already advised them of the topics that will be covered in these examinations, but if you have any questions, please contact their subject teacher directly.

Please help support your child at home with their revision by ensuring that they use their time effectively (perhaps help them design their personal revision timetable), and by ensuring they have a quiet comfortable space in order to work undisturbed.

The results of these examinations help teachers judge the progress your child has made throughout the year, and are used alongside other data to inform us whether your child is in the appropriate set.

If you have any further questions, please do not hesitate to contact your child's Head of Year.

Thank you for your continued support.

Yours sincerely

Mr Kinsella
