### **BVC TRAVEL- Information regarding a one night stay...**

Eel Marsh House is a fantastic way to pursue the activity of ghost hunting. With BVC Travel the experience never gets old. Just ask Arthur; he visited a while ago and had the most haunting experience of his life!

He hasn't spoken since about his experience but the book is coming soon. So, if you want to have the same experience as Arthur did then ring 0821 9999999999 and message Eel and you will be contacted within 8-9 weeks with a day and time to arrive for your haunting experience. The amount of money that should be transferred is £50 per night and no refunds if you don't get scared. Stay safe and have fun.
