Help with My Homework Timetable

1. The Homework Timetable outlines the pattern for where appropriate Homework will be set.
2. Homework will be set in "Class Charts" and in "Microsoft Teams"
3. Complete homework as soon as possible whilst it is fresh in your mind- don't leave it until the last minute.
4. Find somewhere quiet to complete your homework, with good light and a comfortable chair to sit in.
5. If you need help- be sure to ask your teacher the day before the homework is due to be handed in.
