

## Rationale

This year our development plan is one of Renewal. After the damage that was done to all within our community due to the global pandemic. It is important as a Catholic School and community that we focus on the three W's:

- Welcome
- Welfare
- Witness

Pope Francis has asked us, 'to revive the commitment for and with the younger generations, renewing the passion for a more open and inclusive education, capable of patient listening, constructive dialogue and mutual understanding.' This educational pact is called upon to be in his words "revolutionary". "Never before, he continued, has there been such a need to unite efforts in a broad educational alliance to form mature people, capable of overcoming fragmentation and opposition and rebuild the fabric of relationships for a more fraternal humanity".
