

Curriculum Intent: Food Technology

Motto: Ausculda

Mission Statement: Living, Loving and Learning through Christ.

Theological Virtues

Faith: The virtue by which we believe in God.

Hope: The virtue by which we trust God.

Love (Charity): The virtue by which we love God.

Mission Statement Delivery:

- Introduce and improve cooking techniques and ingredients, enhancing independent study, teamwork, communication, and creativity.
- Provide a practical catering environment where students are nurtured and encouraged to excel.
- Sequence the curriculum to build knowledge, skills, and experience throughout KS3, encouraging lifelong application.
- Balance practical and theoretical learning, teaching sweet and savoury dishes in line with the National Curriculum and Eatwell guidelines.
- Link ingredients and recipes to different cultures, educating about social, ethical, and moral food choices.

Curriculum Design:

- Create bespoke interventions tailored to individual and class needs, with varying levels of guidance and support.
- Offer technical and practical teaching support to assist students with concentration, terminology, health, and safety.
- Maintain strong relationships with feeder primaries, conducting workshops on kitchen basics and cooking.
- Adapt the KS4 syllabus to cover all requirements and knowledge, continually tweaking KS3 projects for effectiveness.
- Provide extra-curricular sessions like Bake-off competitions, revision sessions, and activity days.

Inclusivity and Support:

- Ensure every child feels valued, promoting healthy habits for physical and mental well-being.
- Identify and support students needing additional help early, with tailored resources and extra assistance.
- Foster a respectful environment where all students can shine.
